Interim Part III - State below any additional comments regarding the preparation of the transcripts or the record on appeal which may delay the briefing of this case.

Please see attached document for list of all received transcripts. Counsel previously mistakenly identified that they had possession of transcripts for March 7, 2023, March 8, 2023, and March 9, 2023. That has been corrected, and counsel anticipates to have these transcripts (and therefore all transcripts) by May 22, 2024.

Notes: A copy of this report shall be served on each court reporter for which transcripts are outstanding. Please attach additional blank sheets, if necessary, and a certificate of service to this report.
